

Daytime Campus Population and Total Number of Parking Spaces.

The Parking System at the University Park and Biscayne Bay Campuses currently serves a daytime campus population of 50,177 students, faculty and staff members. In addition, there is an undeterminable number of visitors, delivery, service and emergency vehicles that require parking spaces each day. The Parking System currently provides 17,042 vehicle spaces, with 15,595 of those spaces available for general faculty, staff and student parking and 1,447 spaces available for reserved, handicapped, service vehicle, loading and visitor parking spaces. The University has 8,146 paved surface parking spaces and 8,896 spaces in 7 multi-level parking garages. Parking spaces on the main campus total 13,358 with 2,711 spaces on the Biscayne Bay Campus and 973 spaces on the Engineering Center Campus.

¹ Decals costs shown do not include (but are subject to) State sales tax. This table includes all major decal types. The University sells various other minor categories of decals such as vendor and temporary decals. These other categories account for less than two percent of Parking System Revenues.

² Summer 2020 transportation access fee was reduced \$50.00, from \$87.15 to \$37.15, as FIU converted to all remote instruction for summer 2020. This was a one-time reduction. For additional discussion of the impacts of COVID-19 on the Parking System, see the voluntary disclosures filed on EMMA on June 24, 2020, and November 3, 2020.
